Sir,

N. R. $\frac{1}{4}$ 28-57-14-W. 4th M.
Homestead of Ivan Kostluk.
Your reference 36683.

I beg to inform you that a complaint has been received in the Department that the above named homesteader is an undesirable citizen and also that he has not performed sufficient cultivation duties.

804
The complainant sets forth that there are between ten and fifteen acres broken on the above land but that the breaking has not been properly worked and is badly covered with weeds. He also states that the snack on the above land is practically of no value.

Mr. Kostluk in his application for patent executed on the 20th of August last claimed thirty acres of breaking and twenty-four acres cropped, fifteen head of stock. Other improvements, house value \$400.00, stable, \$250.00, granary, \$100.00, two miles of fencing, \$230.00, other improvements \$150.00. The homesteader also claimed continuous residence on the above quarter-section from 1911 to the date of the application for patent. This evidence is corroborated by Peter Swanchuk of the N. W. $\frac{1}{4}$ of Section 33, Township 57, Range 14, West of the 4th Meridian, and Nikolai Rawluk of the N. W. $\frac{1}{4}$ of Section 13, Township 57, Range 14, West of the 4th Meridian.

In view of the above complaint be good enough to instruct a Homestead Inspector to look carefully into this case and furnish a detailed report as to the residence, cultivation and other improvements on the land. Kindly instruct the Inspector to furnish this report as early as possible.

Patent Branch

Sir,

Mr. D. B. Van Horn the homesteader of part of the N. E. 1/4 of Sec. 6--14--24 West of the 4 th. M., is now I believe, in a position to apply for patent for his homestead, but on account of the description of the said land, it will be impossible to grant him a patent for same, on account of not knowing the area. In order to have a survey made it will put the homesteader to a great deal of expense. He would be glad to have the Frac. N. E. 1/4 of Sec. 6, lying East of the River, added to his homestead, and if this was done, it would make the area of his homestead an even 160 Acres, which would allow him to obtain a patent for the land, without requiring a survey. As Mr. VanHorn is exceedingly anxious to get his patent, I would request you to advise me, as early as possible, whether or not this addition may be made.

Your obedient servant,

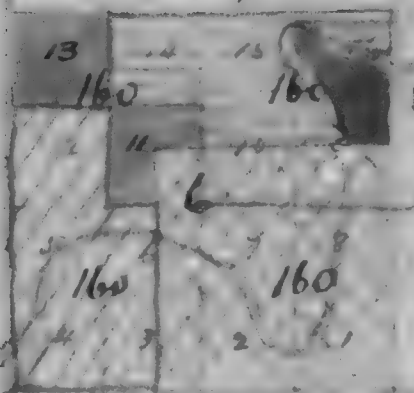

Agent of Dom. Lands.

The Secretary,

Dept. of the Interior,

Memorandum.

I beg to submit for your perusal the Agent's letter of the 14th ultimo, hereunder, stating that Mr. D. B. VanHorn, the homesteader of the N. E. $\frac{1}{4}$ 6--14--24, W. 4th M., would like to have the fractional N. E. $\frac{1}{4}$ of this section lying east of the river added to his homestead, and that, if this were done, it would make the area of his homestead an even 160 acres and would permit of his obtaining a patent without a survey being made.

The land applied for is vacant in the records of the Department; and, as Mr. VanHorn's homestead would be brought up to the theoretical area of 160 acres by the addition thereto of such land, and in view of the fact that a homestead entry may include land on both sides of a stream, I beg to recommend that his application be granted.

The Agent states on file 855290 herewith that Mr. William A. VanHorn has made application to homestead the W. $\frac{1}{2}$ of Legal Subdivision 6 and all of Legal Subdivisions 4, 5 and 12 of the said Section 6, and asks whether such application may be granted. This land is vacant in the records of the Department and is not railway land.

The Agent also states in his letter of the 14th ultimo on file 855227 herewith that Messrs D. B. and W. A. VanHorn would like to purchase jointly part of Legal Subdivision 11 and all of Legal Subdivision 13 of this section, containing 70 acres. The S. E. $\frac{1}{4}$ of Legal Subdivision 11 is reserved for stock-watering purposes, but the balance of the lands applied for are vacant in the records of the Department.

All the lands affected by these applications are shown on the sketch hereunder.

The Acting Commissioner
of Dominion Lands.

Memorandum.

I beg to submit for your perusal the Agent's letter of the 14th ultimo, hereunder, stating that Mr. D.B. VanHorn, the homesteader on the N.E. $\frac{1}{4}$ 6-14-24, W. 4th M., would like to have the fractional N.E. $\frac{1}{4}$ of this section lying east of the river added to his homestead, and that, if this were done, it would make the area of his homestead an even 160 acres and would permit of his obtaining a patent without a survey being made.

The land applied for is vacant in the records of the Department; and, as Mr. VanHorn's homestead would be brought up to the theoretical area of 160 acres by the addition thereto of such land, and in view of the fact that a homestead entry may now include land on both sides of a stream, I beg to recommend that his application be granted.

The Agent states on File 255210 herewith that Mr. William A. VanHorn has made application to homestead the W. $\frac{1}{4}$ of Local Subdivision 6 and all of local subdivisions 4, 5 and 12 of the said Section 6, and whether such a plication may be granted. This land is vacant in the records of the Department and is not railway land.

of Dominion Lands.

I have to enclose herewith a copy of a memorandum in
reference to certain applications to acquire portions of Section
1, Township 14, Range 24, Tenth Meridian, and to say that
upon examining the diagrams illustrating the location of the
various parcels, the ^{Acting} Commissioner deems that they probably
encroach on the land now the site of a proposed railway reservation.
Under the circumstances, therefore, it is advised to
not make in the grant of the applications being granted,
the value of the reserve will be increased so if it will be
contrary to the interests of settlement to grant them.

Memorandum.

DEC 9 1904

I beg to refer you to my memorandum of the 19th
February, last, relative to certain applications to acquire
portions of Section 6, Township 14, Range 24, West 4th T.,
and to say that, as the various parcels appeared to prac-
tically enclose on the north and west side a stock-watering re-
serve, the Inspector of Ranges was asked to report whether,
in the event of the applications being granted, the value
of the reserve would be lessened and if it would be contrary
to the interests of settlement to grant them.

The Inspector's report, which is dated the 24th
March, has just been received, and I submit it for your
consideration.

He recommends his recommendation
is approved.

The lands alluded for are shown on the sketch

Form No. 41.

613756

IN THE MATTER OF the S.E. and S.
of 24 - 47 - 25. W. 4th M.

I, Gottlieb Kabusch of Leduc in the District of Alberta and Northwest Territories of Canada, Farmer DO SOLEMNLY DECLARE as follows:-

1. On 28th day of July A.D. 1899 I made entry at the Dominion Land Office, Edmonton for the South West quarter of Section 24, township 47, Range 25, West of the fourth Meridian and at the same time my son Julius Kabusch made entry for the South East quarter of said Section.
2. Immediately after making said entry I moved upon the land and erected a small log house which was right at the roadside and in full view of every one passing that way. My son and I resided in said house for the rest of that summer until ~~xxxxxx~~ snowfall in the Autumn. We also broke a piece of land which, so far as I know the line dividing the two quarters, was partly upon my quarter and partly upon his, said piece of land measuring to the best of my judgment 3 or 4 acres, and I had at that time every intention of residing upon said land continuously from and after the following spring.
3. Shortly after leaving the house on said land and while residing with my son-in-law Wilhelm Schalin who lived about eight miles away from said land I was severely injured by a pair of horses running away and for some months was entirely unable to do any work. In the spring of 1900 although able to do some work it was impossible for me to break land or make any further improvements on the homestead.
4. Farther on in the summer of 1900 it was impossible for me to move on the said homestead to settle because my wife had sustained a severe injury to her foot and was unable to walk.

5. During the whole of the time since I left the said homestead in the late fall of 1899 until the present time I had been residing in the vicinity of Leduc and my Post Office address has been Leduc. I have repeatedly called at the Post Office there but never received any notification of any kind from any source regarding the intended cancellation for my said homestead entry.

6. About two weeks ago I went out to the homestead with the intention of settling there and getting out logs wherewith to erect other buildings and go on making improvements, and found everything in the same shape as when I left. No work of any kind appeared to have been done there since I left nor were there any traces of occupation by any other person. I was informed by a settler living near that proceedings had been taken to cancel my entry. I then went to Wetaskiwin to enquire of A.B. Rosenroll, Esq., sub- Land Agent of that place, whether a cancellation had taken place and was informed by him that my entry had been cancelled and an entry granted to another person. This was the first intimation that I ever had of any intended cancellation proceedings.

7. My place of residence was well known to all the people residing near said homestead and I verily believe that the proceedings for cancellation were commenced with the desire of securing cancellation unknown to me, as the applicant could easily have seen me and ascertain whether it was my intention to go on making further improvements. I have always had and still have the intention to settle upon said homestead and reside there permanently.

8. My son Julius Labusch went away in the month of April last to work on the Canadian Pacific Railway in order to earn some money to enable him to improve his said homestead and I verily believe that no notification

of any kind regarding the intended cancellation was ever sent to or received by him. His intention was stated to me was to reside upon my homestead with me while making improvements upon his own.

AND I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of "The Canada Evidence Act, 1893."

DECLARED before me at Edmonton,
in the District of Alberta,
in the Northwest Territories,
this twenty eighth day of
January A. D. 1901. *being first by*

Sir:-

*Issue

Replying to your letter of the 15th. inst. enquiring as to whether Mr. Frank Pivin has been compensated by this Department for the area taken by surveyed road across Lot 48 Tp. 46-21-4, I have to inform you that he has not. At the time Plan was registered, the Registrar issued Certificate for the roadway in Lot 48 stating that this was patented in the name of William Mulcahy. This Department corresponded with Mr. Mulcahy who informed us that he did not own Lot 48. The Registrar was advised of this and asked to confirm the information previously given by him which he did, advising us again that this land stood in Mr. Mulcahy's name. On receipt of your letter of the 15th. inst., further search was made and it is found that Mr. Mulcahy is the owner of Lot 28 and that Certificate was issued in error for Lot 48 by the Registrar. If Patent for this lot is now being issued to Mr. Pivin without reservation for the roadway the Certificate that we now hold can be noted against his Patent when recorded in the Land Titles Office and the question of compensation can then be taken up as owing to the circumstances mentioned above, no steps have been taken to communicate with Mr. Pivin in this connection. I might however inform you that the majority of the owners affected by this road have given the land free and it is presumed that Mr. Pivin will be willing to do the same.

Your obedient servant,

Sir:-

Replying to your letter of the 15th. inst. enquiring as to whether Mr. Frank Davis was registered by this Department for the area taken by surveyed road corners lot 46. I have to inform you that he is not. At the time said lot was surveyed, the Registrar issued Certificate for the road; the lot is situated that this was patented by the name of William Mulcahy. This Department corresponded with Mr. Mulcahy and he advised that he did not own lot 46. The Registrar was advised of this and issued to Mr. Davis the information previously given by him when he did advise the same that this land stood in Mr. Mulcahy's name. On receipt of your letter of the 15th. inst. further search was made and it was found that Mr. Mulcahy is the owner of lot 46 and that Certificate was issued in error for lot 46 by the Registrar. If intent for this lot is now being issued to Mr. Davis without reservation for the railway, the Certificate that is now being can be issued without any intent when recorded in the Land Titles Office and the intention of reservation can then be taken up according to the provisions contained above. No steps have been taken to communicate with Mr. Davis in this connection. I must however inform you that the majority of the owners affected by this road have been the same from first to last and it is presumed that Mr. Davis is in the same line of business.

Dear Sir:

Re: Mrs. Rose Anna Peevey

The above applicant for Old Age Pension is seeking evidence of her husband's Naturalization. He died last year, his name is Frank Peevey.

She advises that he homesteaded in 1903 in Township 46, Range 19, I presume West of the fourth Meridian, as she states that he lived in Alberta from the time he homesteaded until his death. She advises that he proved up in the year 1908.

We would appreciate your kind consideration of this request. Trusting to hear from you in due course.

Following receipt of your letter of the 2nd, we have been in touch with the above applicant. In regard to the possibility of her late husband spelling his name differently, she advises through a friend who writes for her, that she and her husband were both illiterate and people spelling the name spelled it as it sounded, which might be "Peevie," or "Peevey" and that there might be other variations in the spelling.

We would appreciate your making a further search of your records on behalf of this applicant.

Thanking you.

Dear Sir:

Re: Mrs. Rose Anna Peevey
F. 24963.

With reference to our correspondence regarding this lady and her husband's naturalization, I may say that when your letter of the 16th of April was received, a further search of the records was made and the only entry by a man of a name similar to Peevey appears to be that of Frank Pivin.

Mr. Pivin's homestead was River Lot 48, Township 46, Range 21, West of the 4th Mer. He was 26 years of age in 1908 and not married at that time. He lived with his father, Olivier Pivin, on the S. W. $\frac{1}{4}$ 6-46-20-W 4th Mer. Frank's certificate of naturalization was dated the 13th of February 1908. His address was Duhamel, Alta., and when entering for the land he stated that he was a French American from Maine, U.S.A.

If this is not the man you are interested in, possibly you may be able to obtain further details from Mrs. Peevey and if so, I should be glad to have another search of the records made.

Yours very truly,

A J Fraser Esq.

Com Lands Agent

Lethbridge.

Dear Sir

Will you be good enough to
advise me at your earliest convenience
if I can homestead the 100 acres
of sec. 20 T. 14 R. 22. W of the 4th
Rm.

I have heard that it is the intention
of the Government to turn over the
greater portion of T. 14 + 15. R. 22.
W. 4 Rm. to the N. W. Ry. Colonization
Co. I presume that this will not affect
the quarter section in question, on which
I have had improvements of considerable
value & at substantial outlay
since the spring of 1898

Yours truly

H. M. Rodgers.

Ref. 58035E.

Ottawa, 29th August, 1900.

Memorandum to the
Commissioner of Dominion Lands.

The Agent at Lethbridge forwards the application of Mr. Thomas Bell, of Medicine Hat, to purchase the North West quarter of Section 14, Township 9, Range 4 West of the 4th Meridian, which land the Agent says is available according to his books, and could be sold to the applicant.

The quarter section is clear in the records here, and I see no objection to the sale going through, the price to be \$3 an acre, and the terms as usual. The Agent should, however, be well assured that Mr. Bell has not already purchased the stipulated quantity of 640 acres, or at any rate that he has not already bought from the Government more than 400 acres.

Dear Sir,

Re S. E. 1/4 17--30--1 W. 5th N.

Referring further to the question of the issue of patents conveying the mines and minerals under lands forming the last half of the Calgary and Edmonton Railway Company, I am directed to say that the above mentioned parcel of land was assigned by the Calgary and Edmonton Railway Company to the Calgary and Edmonton Land Company by assignment registered in the Department, and was by the latter Company assigned to

Augustus Meredith Nanton, by assignment also registered in the Department and dated the 3rd August, 1900.

In the said assignment from the Calgary and Edmonton Railway Company to the Calgary and Edmonton Land Company the title to the above mentioned parcel of land was conveyed to the latter Company, and by the said assignment from the latter Company to Augustus Meredith Nanton.

The title to the mines and minerals was conveyed to the said

Augustus Meredith Nanton.

It is therefore recommended of the Department to issue a patent in the name of the said Augustus Meredith Nanton.

Please advise the Department of any objection that may be on the part of the Calgary and Edmonton Land Company to this action being taken.

Sir,-

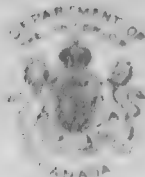

- Re S.E.4.15-30-1-W.5th -

Assignment 330 C.M.F.-

We beg to acknowledge receipt of your letter of the 27th. Also, reference No. 310031, stating that it is the intention of the Department to issue a patent in the name of trustees on credit of the mines and minerals under the above mentioned land. Mr. Nanton happens now to be the party entitled to these mines and minerals and therefore the issue of patent for them to him would be satisfactory, but we beg to point out to you that no special assignment of the mines and minerals to Mr. Nanton has been filed with your Department. This is a case similar as to the form of transfer filed with the Department to that of John David McLeod, regarding which we wrote you and a letter of even date (your file 350135). At the time that the assignment from the Calgary and Edmonton Land Company to Mr. Nanton was filed with your Department, it was the intention to transfer to him the surface of the land only. Now that Mr. Nanton is entitled to the mines and minerals under the land, it appears to us that another assignment of same should be filed with your Department.

We have the honor to be,

Gentlemen,

By my letter of the 13th ultimo, you were advised that the subject of your letter of the 4th of that month and of the 10th of May last, the right of transferees from the Calgary and Fortenton Land Company to the mineral rights in parcels of land conveyed to them, respectively, by transfers similar to the transfer of which a copy accompanied my letter of the 13th ultimo to the Deputy Minister of Justice had been referred to him, with all material papers.

I am to state that the decision arrived at, according to a letter which has been received here from the Acting Deputy Minister of Justice, is as follows, and that the cases referred to in my letter of the 13th ultimo will now be dealt with by the Department in accordance with that decision: "In my opinion the position taken by your Department is correct. The Department has no right in such cases to except the minerals from the grant to the purchaser, and no right to do what the Company proposes namely: require the purchasers to take proceedings within any limited time to establish their right to the minerals if they wish to receive a grant without an exception."

Dear Sir,

I homesteaded N.E. $\frac{1}{4}$ Sec. 36-37-27 W.-4 in the district of Alberta in the year 1899 and also preempted the S.E. $\frac{1}{4}$ of same section at the same time.

I understood that under the circumstances I would have been entitled to take preemption as a second homestead. I spoke about this to the agent at Red Deer but had to pay for preemption. Now if it were not compulsory for me to pay this money I am of the opinion that the Department should consider the matter and rightify the same.

Yours truly,

Jas. Gummow.

Sir:

With reference to your letter of the 1st inst. in relation to the \$27.50 with interest at 5% from April 1st, 1920, to July 7th, 1921, and at 10% from that date to the date of payment, covered by the bond held as security, I am advised that you called at the office of the Acting Agent of Canadian Banks at Calgary, and that you expressed dissatisfaction of the Department's action in not reimbursing you for the amount of the account until the same had elapsed.

In this connection I have to inform you that it was not the policy or custom of the Department in the early years to call upon bondholders for repayment of their investments. The bondholders were fully dependent on their investments, and the Department considered and allowed for payment within the time specified in the security. The records indicate that a large percentage of the investments of bondholders called upon to do so.

I may add that the practice in this respect was changed by the Department's action, taken in recent years, and annual statements were sent to you, but now you are referred to the local authorities mentioned.

In view of the fact that the bond which you mentioned to cover the same is still in force and is held as a direct charge against you, I would respectfully request that you call the necessary amount in full payment of the same as soon as possible in order to avoid this and prevent a claim against you. In the interest of all parties concerned, it would be to your own advantage to liquidate the account at an early date, and furthermore you would avoid any unnecessary action.

Re: A.B. Rogers and Re: E. 1-18-22-1 W/5th

Mr. Rogers has handed to us your letter of the 12th instant wherein you ask him to pay certain seed grain indebtedness due your department since 1895 amounting to \$27.50 with interest at 6% from April 1st, 1896 to July 7th, 1900 and at 5% from that date to the date of payment.

We have already written to the Dominion Lands Agent here in reference to this situation and have consulted with Mr. Rogers about same. Before we definitely advise Mr. Rogers would you please be good enough to inform us why this matter has been permitted to remain quiescent for some 29 years. If Mr. Rogers is indebted as you allege we can find no authority under which the debt can be collected after a lapse of so long a time. Perhaps you would be good enough to refer us to any law on the subject which would now permit of the collection of the debt. We should be glad to hear from you further in due course.

Re A. J. Rogers

Your file No. 967.

Gentlemen:

Acknowledging your letter of the 23rd ultimo in respect to Mr. Rogers' indebtedness for seed grain due the Department, I regret very much to state that when the question of waiver of interest on seed grain loans was submitted to the proper authorities some time ago in order to ascertain the Department's position in the matter, the opinion given was to the effect that the Department had no authority under any circumstances to waive any portion of a debt due to the Crown.

However, the Department does not wish to inflict undue hardship through collection of this account; and if Mr. Rogers is not at present in a financial position to meet the obligation in full, a substantial payment on account will be gladly accepted. This payment should be made by return mail, if possible, and the balance could be paid at some future date, say 1st January next.

With regard to your client's belief that the matter had been settled years ago, particularly when an item appeared in the paper to the effect that certain seed grain debts had been cancelled, it is possible that Mr. Rogers may have seen the notice issued by the Department passed under the provisions of Chapter 16 of the Acts 63-64 Victoria, reading in part as follows: "All persons who were at that date indebted to the Crown on account of seed grain have been relieved from such liability."

Hoping that the particulars mentioned will be sufficient evidence to justify our claim.

Extract from a Report of the Committee of the Honourable
the Privy Council, approved by His Excellency on
the 22nd February, 1897.

On a Memorandum dated 12th February, 1897, from
the Minister of the Interior, stating that the last para-
graph of the Order in Council of the 14th June, 1896,
withdrawing certain lands from a Stock-raising Reserve
and passing them to the Railway for the Canadian Railway
Company, contains a clerical error, in that it states the
lands to be "part of the 14th section", whereas the lands
are situated West of the 14th section, as set forth in
the first paragraph of the said Order in Council of the
14th June, 1896.

The Minister, therefore, recommends that the
said Order in Council should be amended so that the date
of June, 1896, be amended by correction of the said error
and giving the description of the land as the last para-
graph of the said Order in Council, as read as follows:-
"lands portions of the West half and the North-west
quarter of Section 17, Township 15 N., Range 1, West of the
14th section."

The Committee submit that the said amendment
is necessary.

DOMINION LANDS ADMINISTRATION

29th November, 1929.

Dear Mr. Davis,

Re Calgary & Edmonton Railway
Land Subsidy.

In connection with the issue of the patents for the minerals underlying the lands scheduled hereunder it is found that the requisitions for the issue of the surface patents in the names of the nominees were made by the Calgary and Edmonton Railway, whereas the Agreements of Sale, which you recently forwarded to the Department, were made by the Calgary and Edmonton Land Company.

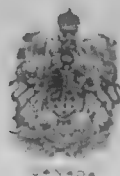

The sale of these lands to the nominees having been made by the Calgary and Edmonton Land Company, it is assumed that the lands were assigned by the Calgary and Edmonton Railway Company to the Calgary and Edmonton Land Company but the assignments have not been filed in the Department. Before patent to the minerals in these lands can be issued to the Calgary and Edmonton Land Company, it will be necessary that the assignments under which the Land Company acted in the disposition of the surface be filed with us.

| Part | Sec. | Tp. | Rge. | Mer. | Patentee |
|-------|------|-----|------|------|----------------|
| S.1.t | 1 | 33 | 2 | 5 | Thos. Preston |
| N.7.t | 15 | 33 | 1 | 5 | James Sanis |
| S.8.t | 19 | 8 | 1 | 5 | Francis A Mead |

However, if you desire patents to issue to the Calgary and Edmonton Railway Company it will be necessary to file with us the necessary documents to complete the chain of title, and showing conclusively that the minerals were retained by the Railway Company in the transfer to its assignee, the Calgary and Edmonton Land Company.

Yours truly,

Sir,

I beg to acknowledge the receipt of your letter of the 21st ultimo, enclosing an assignment from Mary Watson to John B. Lindsay of the SE $\frac{1}{4}$ and the S $\frac{1}{4}$ of the NE $\frac{1}{4}$ of 18-10-5 W. 4th M., along with Abstract, etc., and \$2.00 registration fee; and in reply to say that the report of this location has not yet been received here from the Agent. I am also to draw your attention to the fact that in the letter from Mary Watson, authorizing the delivery of the patent for the land in question to the Manager of the Merchants Bank of Canada, at Medicine Hat, the land is described as the SE $\frac{1}{4}$ and the S $\frac{1}{4}$ of the NW $\frac{1}{4}$ of 18-10-5 W. 4th, while in the assignment it reads the SE $\frac{1}{4}$ and the S $\frac{1}{4}$ of the NE $\frac{1}{4}$ of 18-10-5 W. 4th M. It is thought here that it is the NW $\frac{1}{4}$ of Sec. 18, that it is intended to assign and I therefore return to you the assignment in duplicate in order that it may be made to read in accordance with the description given by Mary Watson. The \$2.00 enclosed by you for the registration of this assignment will be held here to your credit pending the return of the assignment duly corrected. I shall also draw your attention to the necessity of correcting the letter to one subject only.

Ottawa, 29th August, 1900.

Memorandum to the
Commissioner of Dominion Lands.

The Agent at Edmonton reports that Messrs. McHougall & Secord, of the same place, have applied to purchase the South West quarter, and the South half of the South East quarter, of Section 18, Township 52, Range 14 West of the 4th Meridian. The Agent reports that, according to his records, the land is available, and that he is aware of no objection to the sale being made. The land is clear in the books here, and I know of no reason why the sale should not be made at the current rate and upon the usual terms. I think, should you decide to sell this land, that Messrs. McHougall & Secord should state positively that they have not already bought from the Government more than 400 acres, otherwise it would require an Order in Council to grant their request.

Memorandum to the
Commissioner of Dominion Lands.

The Agent at Red Deer reports the application of Mr. William Birkett, of London, Ontario, to purchase the fractional South East quarter of Section 10, Township 21, Range 24 West of the 4th Meridian; that Mr. Birkett requires the land to build ~~near~~ and reside thereon. The land is clear in the records here, and although it fronts a large lake (Gull) the disposal of this small area would not, in my opinion, interfere with lands in the vicinity. Therefore, the Agent's records show nothing to the contrary, I know of no reason why the land should not be sold to Mr. Birkett at the current rate and upon the usual terms.

Mr. Turriff,

Mr. J.A. Grant, President of the Sarnia Rancho Company was allowed to purchase the SW $\frac{1}{4}$ of Section 32-11-1 W. 4th M., at the rate of \$3.00 per acre. He paid for the quarter section remitting here in scrip the sum of \$480. There was however to be deducted from the quarter section, on account of the right of way of the Canadian Pacific Railway Company, 13.22 acres, which leaves a balance in Mr. Grant's favour of \$36.66. He now asks that this be applied towards the rental of the Ranch Company. If you see no objection to the transfer of this ~~amount~~ surplus I will mark it up in our books and transfer it to Mr. Riley to be applied accordingly.

RECEIVED.

Sir,

Messrs McDougall & Secord have applied to purchase, by the application of Half Breed cash scrip, the S W $\frac{1}{4}$ 36 51 15 W 4 M and as the land is vacant and available I am aware of no objection to the sale being carried out.

The gentlemen above named urge that these applications should not be subjected to the delay involved in reference to the Department; and that, where the land is open to homestead entry, and not adversely claimed or occupied, they should be at liberty to apply Half Breed cash scrip (the same as if it were land scrip, proffered by the Half Breed) to the purchase of the land. They point out that unless the Department can concede this privilege the Half Breed is unfavorably discriminated against in accepting cash instead of land scrip. To my mind the question raised is a most important one as very many persons will be interested in the decision which may be arrived at. I see no objection to permitting the application of cash scrip summarily, as if it were land scrip, and am inclined to concur in the contention which is now submitted for your instruction.

Your obedient servant

The Secretary
Department of the Interior,
Ottawa.

Dear Sirs:

Re: Mary Freeman wife of

S.W. $\frac{1}{4}$ 28-46-22-W 4th M.
Your file 28142.

In reply to your letter of November 26th, I may say that the Departmental records do not contain any reference to the age of Mrs. Freeman. When application for patent was made for the land mentioned above, on June 20th, 1907, Frederick Freeman stated that he was 37 years of age and had a wife and six children whose names or ages were not mentioned. His application for entry for the land dated June 2nd, 1900, merely states that he had a family of six including himself. His certificate of naturalization was issued by the Supreme Court on May 4th, 1904.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

Dear Sir:-

According to our records the North west quarter of 25-35-1-W.5 is homesteaded to A. Fraser. From a pencil note in our books it would appear that Mr Fraser also made some claim to the North east quarter, but I cannot find that there are any improvements on the North east quarter, or any reason why it should not be disposed of by the Company.

We have received the 1st instalment of the purchase money for this quarter section from an intending settler.

Will you please inform me if, according to the records of the Department, there is any reason why we should not accept the application.

Yours truly,

Asst. Land Commissioner.

I, Francis Hall, of the City of Lethbridge, in the Province of Alberta, Inspector for The Standard Trust Company, make oath and say:

THAT I have been personally in possession of the West half of the South-West quarter of Section ten (10), Township fifty-seven (57), Range twenty-five (25), West of the Fourth Meridian, and I find that there are eighty acres contained in this parcel which is enclosed with a two strand barbed wire fence. There is also a one and a half storey frame house in very good condition, size 10' x 12', of approximate value of \$225.00. There is also a very good stable, one and a half storey high, size 16' x 32', which is also in good state of repair, and a small building 6' x 8' which is used for milk house. There is a well on the property and sufficient land under cultivation at the present time for a garden, the same being used for that purpose. I may say that there are thirty (30) acres of land here which are now ready for the plow, the stumps, scrub and timber all having been removed. I am planning to start tomorrow for the purpose of making arrangements with the party to break up the 30 acres which have been removed and is well suited to the requirements of the local market.

Sub-Agent of Dominion Lands,

Copy for the A. L. at Edmonton, Alta.

Sir.

I beg to acknowledge the receipt of your letter of the 2nd inst. and in reply am to inform you that upon examination of the papers in the Department it is found that the matter of your application to homestead the S. T. 4 of 22, 44, 22, West 4th is very much complicated owing to a mistake made by the Sub-Agent at Wetaskiwin when taking your application.

The following is a statement of the facts as they appear here:-

On the 21st of August, 1900, the Local Agent at Edmonton was furnished with a copy of a letter addressed to you advising you that the quarter section above mentioned, if vacant, would not be granted to anyone else before the 1st of February, 1901. On the 9th of that month you made application for entry and the Sub-Agent gave you a receipt for the fee in which the quarter section is correctly described, but the application for entry mentions the land as the S. T. 4 of 2, 44, 22, West 4th, consequently the Agent at Edmonton when completing the entry issued the interim receipt in your favour for the S. T. 4 of 2 instead of the S. T. quarter of 22. Apparently you did not notice the error or you would have

communicated

Walter C. D. Bergman, Esq.,

Wetaskiwin,

Alta.

communicated with the Agent earlier. Later on in August 1901 an entry was granted to Mr. A. Christianson for the S. W. quarter of 22, and it is a little difficult to see how the mistake is to be rectified, however, a copy of this letter is being mailed to the Agent at Edmonton in order that he may instruct the Homestead Inspector to take it in hand and see what arrangement can be made. If Mr. Christianson has not yet made any improvements on his homestead the entry granted him in error will be cancelled and he will be allowed to take up another quarter section to which the fee he has paid will be transferred. Should the circumstances not warrant the cancellation of his entry the only alternative would seem to be to cancel your entry for the S. W. quarter of 2 and allow you to select some other more suitable land that is available, and to grant you an entry without further charge. You will be further advised after the Inspector's report comes to hand.

Your obedient servant,

Secretary.

On the 21st of August, 1900, the Local Agent at Edmonton was furnished with a copy of a letter addressed to you advising you that the quarter section above mentioned, if vacant, would not be granted to anyone else before the 1st of February, 1901. On the 9th of that month you made application for entry and the Sub-Agent gave you a receipt for the fee in which the quarter section is correctly described, but the application for entry mentions the land as the S. W. $\frac{1}{4}$ of 2, 44, 22, West 4th, consequently the Agent at Edmonton when completing the entry issued the interim receipt in your favour for the S. W. $\frac{1}{4}$ of 2 instead of the S. W. quarter of 22. Apparently you did not notice the error or you would have

communicated with the Agent earlier. Later on in August 1901 an entry was granted to Mr. A. Christianson for the S. W. quarter of 22, and it is a little difficult to see how the mistake is to be rectified, however, a copy of this letter is being mailed to the Agent at Edmonton in order that he may instruct the Homestead Inspector to take it in hand and see what arrangement can be made. If Mr. Christianson has not yet made any improvements on his homestead the entry granted him in error will be cancelled and he will be allowed to take up another quarter section to which the fee he has paid will be transferred. Should the circumstances not warrant the cancellation of his entry the only alternative would seem to be to cancel your entry for the S. W. quarter of 2 and allow you to select some other more suitable land that is available, and to grant you an entry without further charge. You will be further advised after the Inspector's report comes to hand.

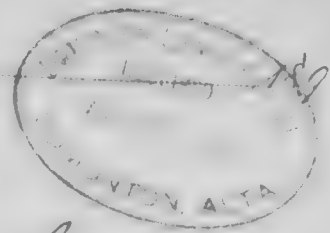

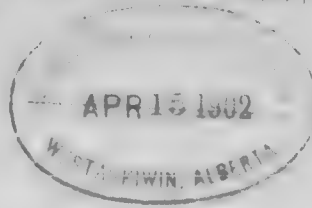

Your obedient servant,

Secretary.

Referring to the enclosed letter I may say that Mr. G. R. Bryman request that if possible his entry fee (\$10.00) be returned to him at this office.

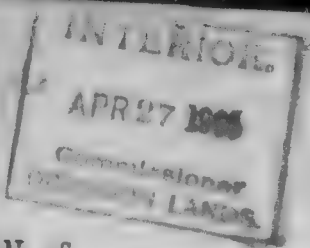

Being forced to be absent from here for perhaps a year he has decided to wait until his return before making another location.

If this matter cannot be arranged at your office I beg to request that you will forward suit claims to Ottawa.

Yours very sincerely,

W. H. G. G. G.

3rd July, 1929

Madam,

The Department is in receipt of an enquiry made on your behalf by Mr. Samuel C. Reay, the American Consul at Calgary, Alberta, in connection with one, Albert Christensen, who is said to have homesteaded in the Province of Alberta in 1903 or 1904. In reply I am to advise you that the Department has record of two parties of this name who homesteaded about the time mentioned.

1. Albrecht Christensen applied for entry in August 1901, and obtained patent in 1907 at which time he stated that he was 62 years of age. He resided on the land with his wife and his address at that time was Louisville, Alberta, but that post office is no longer in existence and the Department has no record of his present address.

2. Albert Christenson made entry for the S. 1. 32-49-18-4th Mer., on the 14th October, 1902, and applied for patent on the 26th October, 1906. At that time he stated he was 27 years of age and he resided in the vicinity of his land with his mother. This homesteader wrote the Department on the 22nd June, 1928, giving his address as 10207 - 101st Street, Edmonton, Alberta.

In case you desire any further information kindly write the Department again quoting File 678889.

DOMINION LANDS OFFICE,

Ottawa, 21st October, 1899

Sir,

Michael Strozelski, who is permitted to settle
under the W.P.A. 187-20 W 4 M (Year File 88327)
has today made application for a homestead entry covering the
S.W. 1/4 35 16 10 W 4 M, but as you have instructed me to
grant no more homestead entries to old homestead sections in
this and other townships in the locality I am unable to deal
with this application without special authority. The man swears
that he has built a house for house and the land now is pre-
pared and ready for settlement. He has a wife and three
children for the past two months and has a garden well ready
ready for next spring. Under the circumstances I have to re-
quest permission to grant the application: the improvements
were actually made before the Department withdrew the land
from settlement.

Sir,

Mr Rice Sheppard, an Englishman and the father of 5 girls and 5 boys, all now living with him, has recently entered as a homestead the N E 1/4 24 61 15 W 4 M and now makes application for permission to purchase the South 1/2 of this section, containing 320 acres. Under the circumstances I have no hesitation in recommending the application. Mr Sheppard wishes to apply scrip and in consequence of the delay in dealing with the claims of local Half Breeds fears that it may be 60 days before he can bring the Half Breeds to the office. I see no objection to allowing him 60 days from my notice to him within which to complete his arrangements.

Commissioner of Dominion Lands.

The Agent at Edmonton reports the application of Mr. Rice Sheppard, who has recently homesteaded the North East quarter of Section 24, Township 51, Range 15 West of the 4th Meridian, to be allowed to purchase the South half of this section. The Agent states that Mr. Sheppard is the father of five girls and five boys, all now living with him, and recommends that the application be granted, and 60 days allowed Mr. Sheppard to complete the arrangements he is making to acquire scrip to apply on the land.

The land is clear in the records here, and see no reason why it should not be sold at the current rate and upon the usual terms.

The Vermillion river runs through the east half of Section 24, but would not, I think, interfere with the disposition of this land.

MEMORANDUM :

Mr. Dixon.

It appears that homestead entry has been made on a quarter section of land which is within Senator McLaren's leasehold. This land was available for entry. What I want to find out is whether the homesteader paid for the improvements or not. There was a large cattle corral on the place. I think the land is in Township 5 or 6, Range 2, West 5th: Mr. Hyley will be able to tell you. If the improvements have not been valued by a Homestead Inspector, send instructions to have a report and valuation made.

The Commissioner desires that you will report as soon as possible what homestead entries have been granted within the boundaries of Section 24, as with the exception of the S.E. and S.W. of 22, 6, 3, West 10th E., no portion of the tract is open to settlement. Be good enough to inform this Commissioner and at the same time inform the land owner, that for the purpose of the land being surveyed, it is not. It is requested that these facts be reported to the place. If the surveyor has not been valued as a homestead in-formation, be good enough to inform the Commissioner to have the report and valuation made at once.

DOMINION LANDS OFFICE,

Edmonton, Alta., 28th July, 1907

Sir,

I beg to acknowledge the receipt of your letter of the 21st instant, File 398,407, and to enclose herewith a rough sketch showing the boundaries of the Honorable Peter McLaren's rancho No. 141. I also enclose a schedule giving the names of the lands affected where entries have been created within the leasehold. I may add that when an entry was made it was done under special instructions from Head Office. None of the leaseholders named in the enclosed list paid any money for improvements and I am under the impression that Mr. McLaren's ranch is located on Sections 12 and 13, Township 6, Range 2, R. 5th N.

I have this day requested the District Inspector to visit the land and report what improvements have been made by Mr. McLaren and their value and also to state what sections in particular they are located on.

Your obedient servant,

Agent of Dom. Lands.

Sir,

In reply to your letter of the 21st inst., I have to say that it is quite impossible to comply with your request for an extension of time for two years in connection with your homestead entry for part of Section 24, Township 41, Range 10, N.W. 1. Under the circumstances your best plan would appear to be to execute a declaration of abandonment in connection with this land, and obtain permission to take another entry, and put it in a position to perform the required duties. If you decide to do this, I will complete and return here the enclosed form of declaration, the same will receive attention.

Monsieur,

En réponse à votre lettre du 20 courant, je
m'ai chargé de vous informer que la patente que vous
demandez a été émise au votre nom le 20 mars
dernier et qu'elle a été envoyée le lendemain
au Registrateur des Terres fédérales à Edmonton
conformément aux dispositions de l'Acte des
propriétés foncières (Real Property Act)

Cet acte qui est en force dans les Territoires
du Nord-Ouest seulement, pourvoit à ce que
le titre original ou la patente du Gouvernement
reste entre les mains du Registrateur, et celui-
ci expédie sur demande du titulaire un
Certificat qui a absolument la même valeur que
la patente elle-même -

Comme vous voyez, ce système diffère entiè-
rement de celui en vigueur dans la Province de
Québec ou au Manitoba, mais sa valeur est
incancontestable.

Vous n'aurez rien à débourser pour obtenir
de ce fonctionnaire le Certificat en question, pourvu
toutefois qu'il n'existe aucune hypothèque, jugement ou autre
charge ~~inscrite~~ ~~sur~~ contre la dite terre

Sir:-

I have the honour to enclose herewith a copy of a communication received from Mr. W. J. Birnie-Browne, of Big Hill Springs, Cochrane, Alberta, making application for an interchange from the S.E. $\frac{1}{4}$ of 31 - 26 - 3, West of the 5th, to the N.W. $\frac{1}{4}$ of 12 - 26 - 3, West of the 5th, or the N.E. $\frac{1}{4}$ of 11 - 26 - 4, West of the 5th. If the interchange is granted it can only be to the N.W. $\frac{1}{4}$ of 12 - 26 - 3, West of the 5th, as the S.E. $\frac{1}{4}$ of 12 referred to is the northeast corner of Mr. Alexander J. Murphy's. I would suggest that Mr. Birnie-Browne abandon his entry for the S.E. $\frac{1}{4}$, if the interchange be allowed, and make a fresh entry covering the N.W. $\frac{1}{4}$ of 12, which I presume the applicant will be permitted to do on payment of a fresh fee of \$10.00, as is customary in such cases.

You will observe that the Big Hill Creek runs through the N.W. $\frac{1}{4}$ of 12 - 26 - 3, West of the 5th.

A copy of this communication is being forwarded to Mr. Birnie-Browne for his information.

Dear Sir

The No. 1 of Sect 30 7 9
Range 6 West 2. The was entered in 1891
by A. Bassett about June 1891 and
the 11th of June next year the
was entered by Bassett about
the same date neither of these men
have lived on nor done any thing
to improve either of these sections
since entering on them and as
they are now in the hands of I would
like to get one of them or both
Cancelled as I am now on the
ground with 160 head of cattle
and have a partner who could take
one in while I am away for a
homestead never having had one
and both Mr Bassett and Mr Blair
live at a distance from this land
and have no stock I have always
been a supporter of the present Government
and will stand justice in this matter
as these men are holding this for years

I have just received copy of letter to Saml J. Blair from Mr. Fraser agent at Lethbridge stating that unless he goes into residence upon the 5/4 30 & 60. or on or before the 1st Nov next he is to cancel his homestead.

I regret this step very much and it will be a great injustice to Mr. Blair as he has stock running on his 1/4 Sect and will in a short time be prepared to do full homestead. As it is a personal matter with a man who wishes to get it for himself or friend.

I hope you will reconsider your decision.

LETTER

FILE 583740

Department of the Interior,

Ottawa, September 10th, 1900. —

Sir,

I am directed to acknowledge your letter of the 1st instant, enclosing the receipt dated the 27th ultimo, for the \$15 which you remitted through Mr. Benjamin Davis for entry for the N.E. $\frac{1}{4}$. 34-32-1 W. 5th M. I return you this receipt herewith, but a refund check for the amount is on the way to you, for the reason, as is explained in the foregoing letter, that the land is not at the present time available for entry; it stands now as a homestead, respecting which the Agent of Dominion Lands at Calgary is now being communicated with.

With respect to the time after entry within which you should go into occupation of the land, I have to say that the Dominion Lands Act provides that in the case of entries made after the 1st September, the homesteader is allowed until the 1st June following to commence his title.

Your obedient servant,

Secretary.

Sir:-

Replying to your communication of the 30th ultimo, File 583740, to Benjamin Davies, Esq., St. Paul, Minn., regarding the N.E. 1/4 of 34 - 32 - 1, West of the 6th, I have the honour to inform you that it is altogether likely that Mr. Davies or Mr. Harvey has made a mistake in describing the land. Some one in this Office may have stated that some other quarter section was being held for a gentleman's son not yet of age, but certainly not this particular quarter, as it has been entered for as a homestead and the homesteader has received recognition for patent.

A copy of this communication is being forwarded to Mr. Davies for his information.

I am, Sir,

Your obedient servant,

Agent.

Sir,

Referring to your letter of the 25th ultimo, File No. 14462, respecting the application of William Stethers, of Gruburn, to purchase the N. $\frac{1}{2}$ of 24-9-1 W. 4 M., I am directed to say that the N. E. $\frac{1}{4}$ of this section is under lease for grazing purposes to Mr. C. Briggs. This, however, does not prevent the sale of the land, and Mr. Stethers may be permitted to purchase the half section at the current rate and on the usual terms. Please notify the applicant accordingly. His application is herewith returned.

Ottawa,

18th April, 1901,

Sir,

I am directed to return, herewith, the copy which you left with the Law Clerk of this Department several days ago, of my letter of the 25th February last to your firm at Calgary, and to inform you that before the assignment therein mentioned can be registered in the books of the Department and the patent issued to Mr. James Walter Innes for the lands thereby conveyed to him, an ordinary abstract must be obtained from the Registrar at Calgary and be filed here, to satisfy the Department that nothing has been registered in his office against such lands. There was received here from your firm, with the assignment above referred to, a certificate from the Registrar showing that no decrees, executions or other instruments, in which no specific lands were described, which in any way affect the lands in question, had been registered in such office, but an abstract of the title of such lands was not furnished, and until one has been furnished no further action can be taken in this matter.

Dear Sir:-

I have been asked to write you in connection with a
script (halfbreed) formerly owned by Mary Rose Brune, the child
of Peter Brune and Suzanne Brune (nee) Blanche. Mary Rose Brune
was born in 1873 and died in infancy. Apparently she never was
taken in regard to this script by the late Father Blanche but I
can find no records concerning what happened to this script.

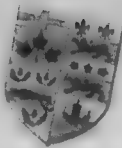

I appreciate the fact that the particulars I am giving
you are very meagre but any information you could give me regarding
this matter would be greatly appreciated.

Yours truly,
George D. Atkin

To

Dear Sirs,
Calcutta.

Dear Sirs:-

I wish to make application for what is shown on Survey Map as - 1/4 of 1/4 of 3 - 20 - 27, W. 4 and upon 1/4 of 3 - 20 - 27, W. 4. I understand that portion of last 1/4 of 3 - 20 - 27 covered by the law is already under control of the Govt. but the 1/4 of 1/4 of 3 - 20 - 27 shown as - 1/4 of 1/4 of 3 - 20 - 27, W. 4 is not strictly speaking a lake but is rather a dry pond and is not at present available for use so by private improvement. The Govt. I understand charges Rs. 20 per acre for available water land. I am willing to purchase the same but as considerable labor and expense must be placed upon it before it is available for use, I trust the Govt. will see their way clear to allow it to be used for the purpose of Rs. 20. I shall be glad to hear from you at your earliest convenience as to what terms the Govt. is prepared to allow. I suppose a report will be sent to the Inspector of the District regarding the same.

Yours respectfully,

(Sd.) Robert Bellamy.

Sir:-

I have the honour to enclose herewith a copy of a communication from Mr. Robert McLaren, of Calgary, dated the 20th instant, making application to purchase that portion of the West $1\frac{1}{2}$ of 2 and the East $1\frac{1}{2}$ of 3, Township 29, Range 27, West of the 4th, which is shown on the township plan as a lake, but which Mr. McLaren states is really a deep marsh.

518 acres of Section 3 is marked off in the Township Register of this Office to the Calgary and Edmonton Railway Company. The S.W. $1\frac{1}{4}$ of Section 2 is reported to be lay land.

Memorandum.

The Agent at Calgary submits the application of Mr. Robert McLaren, of that place, to purchase that portion of the W. $\frac{1}{2}$ of 2 and the E. $\frac{1}{2}$ of 3--29--27, W. 4th, shown on the township plan as a lake, but which, Mr. McLaren states, is really a deep marsh.

The E. $\frac{1}{2}$ of 3 was assigned by The Calgary & Edmonton Railway Co. to The Calgary & Edmonton Land Co.

The W. $\frac{1}{2}$ of 2 is vacant in the records of the Department, but the Agent states that the S. W. $\frac{1}{4}$, which is the canceled homestead of Mr. George Braxton Kerr, is reported to be valuable for hay.

I think that, before any action is taken on this application, should be inspected and reported on by a homestead inspector.

Sir,

Replying to your letter of the 13th ultimo, File No. 18742, respecting the application of Mr. Robert McLaren, of Calgary, to purchase that portion of the $\frac{1}{4}$ of 2, and the $\frac{1}{4}$ of 3, -29-27 W.4th N., I am directed to say that the $\frac{1}{4}$ of section 3 was assigned by the Calgary & Edmonton Railway Company to the Calgary & Edmonton Land Company.

The $\frac{1}{4}$ of 2 is vacant in the records of the Department, but it is noted you state that the $\frac{1}{4}$ of this section is valuable for hay.

Under the circumstances it is thought best, before taking further action, to have the $\frac{1}{4}$ of section 2 inspected and reported on by the Homestead Inspector. Please take the necessary steps.

Referring to your application to purchase that portion of the West 1/2 of Section 1, Township 24, Range 27, Town of the 4th, I am directed by the Minister to say that the West 1/2 of section 1 was reserved by the Government for the purpose of a military reservation. The West 1/2 of section 1 is shown in the records of the Department, but, as it has been noted that the 1/2 of this section is valuable for farming, it has been thought advisable under the circumstances before taking further action to have the West 1/2 of section 1 inspected and reported upon by the Landward Inspector.

Re South West 1 1/2 - 20 - 27 West 4. I have been informed by you that Forestead Inspector has been instructed to examine and report.

I have bought a location along side of this, being West 1 1/2 - 3 - 20 - 27, from C. & F. P. Co., and would buy from the Govt. S. W. 1 1/2 - 20 - 27 should the Dept. see fit to sell, in order to complete proposed farm. As a large amount of labor and expense for drainage etc. must be placed upon this marsh before it can be made available land, and as I am anxious to make arrangements for next season's work and improvements, I would be pleased if the Dept. would permit Forestead Inspector to examine and report upon this location at once. I am willing to drive out and pay such other expense in connection therewith as the Dept. may think fit.

Sir,

A Mr. Albert McLaren, of Calgary, has called upon this Department relative to the reservation of a slough on the West half of Section 2 and East half of Section 3, Township 29, Range 27 West of the 4th Meridian, for reservoir purposes. He tells me that he has made application to purchase this slough, but has been informed that it is possible it may be required in connection with irrigation development and works, and asks that a letter may be written to your Department stating whether the lands will be required for the purposes above mentioned.

We have no record of the necessity for reserving this slough as a reservoir, and while it is possible that ultimately it may be possible to utilize it in connection with the Bow River Canal scheme, I do not think that, in the meantime, any reservation need be made, as of course the land in that slough can be taken in connection with the scheme if found necessary to do so.

Memorandum.

I beg to refer you to my memorandum of the 25th September last to Mr. Turriff, respecting Mr. Robert McLaren's application to purchase certain lands in Township 22, Range 27, West of the 4th Meridian, shown on the township plan as a lake, but which the applicant stated was a deep marsh: and to submit the Homestead inspector's report under reference 318628, in which it is stated that the S. W. 1/4 of Section 2 in the said township and range is not in its present condition worth more than \$1 an acre.

If the applicant is an actual settler (which is doubtful, as, from the correspondence, he would appear to be in the railway mail service) and desires the land for his own use, there would appear to be no objection to selling it to him at the Homestead inspector's valuation, namely, \$1 an acre.

a letter from Mr. Dennis,

it is stated that land so applied
for need not be

purposes.*

I enclose herewith the survey of the land called
upon the department relative to the location
of a slough on the west side of section 2 and east
of section 3, township 29 N, Range 20 W, near by the 14
for irrigation purposes. It tells me that he has
made application to purchase the slough, but has
been informed that it is possible it may be required
in connection with irrigation development and work,
and asks that a letter may be written to your office stating
whether the lands will be required for the purposes
above mentioned, or have in mind of the necessity.
In referring this slough as a reservoir, and while
it is possible that ultimately it may be possible
to utilize it in connection with the Road River
canal system, I do not think that at the
present time, any reservation should be made and
leave the lands in that slough can be used
in connection with the water for power

Memo to the Commissioner

The Calgary Agent forwards the application of W. V. Menck, of De Winton, to purchase the S.W.¹/₄ Sec. 24-21-1 West 5th Meridian. This land is clear here, having formerly been the homestead entry of T. Semerville, now cancelled, which cancellation was made at the instance of the present applicant.

If Menck can establish his bona fides, I see no objection to his being sold this land at the current rate and upon the usual terms, the first instalment to be made by the 20th April.

Referring to your letter of 22nd. You will then see that we ventured to request an early issue of patent to Mr. Lott for the S.E.I/4 of this section, as well as ~~to~~ the S.W.I/4, to which alone your letter of 22nd March refers. Mr Lott is selling both quarters at once to the same person and will need the patent for the S.E.I/4 as well.

Gentlemen,

Replying to your letters of the 4th and 27th ultimo, I am directed to say that a patent for the S.M. 1/4 sec. 4th T., which was issued on the 15th March last in the name of C.M. The N. W. $\frac{1}{4}$ of Section 4 is reserved for stock-watering purposes, and the N. E. $\frac{1}{4}$ vacant in the records of the Department; the W. $\frac{1}{2}$ of Section 18 is under lease to Mr. Cowan, but that would not be a barrier to his purchasing it; the whole of Section 2 is vacant in the records of the Department, the S. $\frac{1}{2}$ containing 332 acres, or the whole section 652 acres.

If it is decided to grant Mr. Cowan's application, an Order-in-Council will have to be passed.

Memorandum to the
Commissioner of Dominion Lands.

Mr. T. S. C. Lee, of Calgary, has applied to purchase the North half, and South East quarter of Section 2, and the South ~~East~~ quarter of Section 18, all in Township 27, Range 3 East of the 5th Meridian.

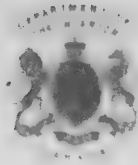

Some time ago Mr. Robert W. Cowan applied to purchase the following lands:—

N. $\frac{1}{2}$ Sec. 4.

W. $\frac{1}{2}$ " 18.

All " 2.—all in above township and range. The Agent was instructed that Mr. Cowan would be allowed to choose 640 acres out of certain of these lands; and the Agent advised Mr. Cowan accordingly, on the 8th October last. On the 24th November, Mr. Cowan writes the Agent that he has chosen the N. $\frac{1}{2}$ & S.E. $\frac{1}{4}$ of Section 2; and the S.E. $\frac{1}{4}$ of Section 18.

This would appear to leave clear the parcels which Mr. Lee desires to acquire; and I see no reason why the North half and South East quarter of Section 2; and South ~~East~~ quarter of Section 18, should not be sold to Mr. Lee at the current rate and under the usual terms, provided he has not already bought any lands from the Government. The area of these parcels is about 640 acres, but the extra 6 acres need not, I think, be a

be a bar to the sale.

If it is decided to sell these lands to Mr. Lee, the Agent might be asked at the same time that he is instructed therein, to report whether Mr. Cowan has finally decided to take any of the remaining parcels of land he applied for, and if so, which.

Memorandum:

Mr. Hume.

Frl. Sec. 32-38-26-W. 4th M.

In compliance with the Asst. Commissioner's request of the 7th instant, I am submitting herewith a sketch and statement showing the standing of the above described fractional section.

According to information on files hereunder the W. $\frac{1}{4}$ 32 is patented. The E. $\frac{1}{4}$ 32 was reserved in 1908 in connection with the proposed park at Red Deer Canyon. This reservation was relinquished by Parks Branch in 1920 and the half section was transferred to the Soldier Settlement Board under authority of the Order-in-Council of the 30th October, 1918. The lands were retransferred to this Department on the 31st May, 1921 and posted for settlement.

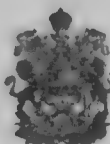

The N.E. $\frac{1}{4}$ 32 was entered for as a homestead by James Jeffrey Kitchen in 1921 and was patented on the 19th October, 1926. The S.E. $\frac{1}{4}$ 32, East of River, was entered for as a homestead by Thos. H. Hughes in August, 1922 and he has secured advances from the Soldier Settlement Board to the amount of \$6,500.00. From evidence on file it would appear that Mr. Hughes is in default regarding the performance of duties.

The only vacant land in this section would appear to be that portion of the S.E. $\frac{1}{4}$ 32 West of River containing an area of approximately 16.9 acres, coloured red on sketch hereunder. That portion of the N.W. $\frac{1}{4}$ 32, East of River, was apparently disposed of to Mr. Robinson, the patented holder of that portion West of River.

LAND PATENTS BRANCH

OTTAWA, 11th May, 1927.

Sir:

I beg to say that your application on behalf of the Alberta Natural History Society to acquire certain portions of section 26, Township 38, Range 26, West of the 4th Meridian, for recreational purposes, has been referred to this branch for attention, and I beg to enclose for your information a copy of the order in Council dated the 29th June, 1922, which sets forth the departmental requirements to be complied with in connection with applications to acquire land for such purposes. Besides the annual rental of \$1.00 a lease fee of \$10.00 is also charged for the preparation of a lease. It will be observed from this order in Council that applications of this nature may be considered only from a municipality or agricultural society and it is thought that arrangements might be made whereby either one of these bodies might apply for the land in question under the terms of this order in Council and allow you the use thereof for the purposes desired.

Encl.

I may add that the only land in this section which appears to be available is the 16.9 acres in the S.E. lying west of the river, the balance of the section having been otherwise disposed of.

Your obedient servant,

C.H. Snell, Esq.,
President,

Sir,

In reply to your letter of the 11th instant I
must say that I have written Mr. Scher's ~~attorney~~
attorney informing him of the mistake in the description
of the land intended by him. In August, 1900, the \$10
fee paid to you by Mr. Scher, for the S.W. 1/4 of Section
11--T--R. W. M. was referred to you by his office
and it is presumed that you have handed same to Mr. Scher.
This land is available for sale by his settlement on pay-
ment of a \$10.00 fee and \$7.00 for improvements. If you
cannot find any trace of having received the \$10.00 to
this settlement, you had better forward this office the fee.

Sir,

Referring to the correspondence which has taken place between Mr. Scherer, I beg to say that it appears that this gentleman has made a mistake in the land to which he is interested. As mentioned in my previous letter no trace of correspondence in connection with the S.W. 1/4 of Section 16-10-25 W. 4th T. could be found. It appears that this gentleman applied for the S.W. 1/4 of Section 16-9-25 W. 4th T. and this is no doubt the land on which he has made his improvements. The reason he has never received any title for this land is that he has not forwarded his application for the same. He has paid the \$7.00 fee for the improvements on this quarter-section and he applied for same. The land appears to be well suited for him as it will furnish the water for the \$15.00 and the \$10.00 mentioned. This action should have been taken in 1902 and he has no claim on this land until these amounts are paid.

J. W. MARTIN

Sir,

In reply to your letter of the 23rd June, I beg to say that on the 1st of June Mr. J. C. Oistad was advised at Regina, Alberta, in respect of the homesteads of Mr. Oistad, Edward Waller, and yourself - in relation to the 1st of Section 10, Township 40, Range 20, T.4. It was understood that, as none of the parties mentioned appeared as yet to have perfected their entries, it was impossible to leave the leave of absence, but, under the circumstances, the land in question is as at present in the hands of the Dominion Lands Office, and the necessary applications for inspection of these lands before the lands are sold, and the same would be prepared to be made complete. I am sure this was the best of December, and I trust this will give satisfaction to you.

Yours, Sir,

Your obedient servant,

J. C. Oistad, Esq.,

Replying to your communication of the 19th instant, which was received here to-day, stating that your claim is one mile from your brother's, that your parents or both want you to reside with your brother on his quarter-section, I beg to inform you that if your parents had been residing upon a homestead in that vicinity, you could live ^{on their homestead} with them and your residence would be allowed to count, but there is nothing in the law to count of your residing with your brother. You will require to put in 6 months residence upon your quarter-section in each year for three years. If you are not in a position financially to go into residence and you desire to reside with your brother until say next spring, upon application to the Secretary, Department of the Interior, Ottawa, you might be allowed an extension.

Sir

I should be pleased to get
permission to purchase the west
half Section 2, T. 16, R. 1 W 3rd
This was originally reserved
as a stock watering reserve
by an application made by
me. If it is allowed to be
taken up it will practically
ruin my ranch as with
cattle and sheep properly fed on
this land consequently cattle
ranches are thriving. But
and if reserved as by any one else
would completely stop my
cattle from getting out. The reason
I did not purchase it in the
first place was it was reserved

210 P.

to the Mount Heart runder I think
it was, and when the owner
I was not in a position to per-
ceive so apparent to have it
reserved. If I can get this
and I hope to be able to make
certain improvements and
it will make the whole much
as near a model one as possible
I trust you will see your
way in helping me out.
Yours very sincerely

Memorandum.

Enc.

See letter, dated 2nd instant, from Mr. A.E. Cross addressed to myself. I enclose herewith Township plans shewing the position, as nearly as I can illustrate it. Mr. Cross has acquired from the Department all of section 34 and the W. E. $\frac{1}{4}$ of 28 in Township 15, Range 1, West 5th. He has also purchased considerable area from the Calgary and Edmonton Railway Company and I think all or portions of the following -- sections 27, 33 and 35 in Township 15 and section 3 in Township 16.

I have drawn in pencil the position of the junction and the position of the two ^{sections} ~~sections~~ which he mentioned. This has been done from memory, but it is several years since I was at this point so it may be somewhat erroneous. Of course if the reservation of the W. $\frac{1}{4}$ of section 27 is maintained Mr. Cross would not desire to purchase it but should the reservation be removed and the property acquired by another person his ranche might be greatly injured or well nigh destroyed. There is a danger of parties trusting

J.G. Turriff, Esq.,

Supt. Dominion Lands,

Dept. of the Interior,

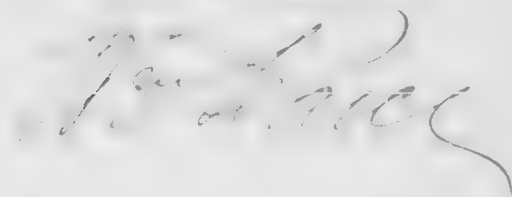

Ottawa.

trusting that this reservation will be done away with,
squatting on the same and it is that condition that
alarms Mr. Cross.

If an assurance can be given
him that if the reservation will be removed it will
be sold him, that would prevent such a condition of
affairs and in making such a sale it is submitted whether
he should not be required to take the whole of the section
2.

If you can see your way clear to giving such
assurance it would meet his request and I may add that
Mr. Cross has done much to develop the stock interests
of Alberta and not only the stock but many other
interests. He is the representative in the Northwest
Assembly for East Calgary.

The Honorable Minister of the Interior,

Ottawa, Ont.

Sir:-

I beg to apply on behalf of A. E. Cross, Calgary, for a Half Section - being the West Half of Section Two, Township Sixteen, Range One, West of Fifth Principal Meridian (T1--2--16--1--W--5).

This, I understand, he had reserved some years ago as a stock water reserve, with some other land adjoining it, - the latter of which he has since purchased, as I also understand the reserve was removed, and the usefulness of the water reserve to a very great extent, done away with, as it was used for the cattle to drift through, especially in cold weather. I am informed also, that ~~the~~ he owns the land both above and below this water reserve on the Creek, and which would consequently stop the passage of cattle - even if the road allowance is kept open, as it runs through the middle of the creek, to a large extent, preventing the passage of cattle. Possibly the Department might be willing and in a position to exchange this half Section with the C.P.R. in order that A.E. Cross might purchase it. He considers that it would do an injury to no one. If you can let me hear from you, whether the above may be carried through, I should feel much obliged, - and in the meantime beg to remain,

Your obedient servant,

Selkirk

My dear Mr McDonald.

In further reference to your conversation in which you very kindly offered ~~to~~ help me to get the question of the land which I do not own put on a more permanent basis, as one does not feel like doing very much in the way of improvements or whether he should sell his cattle or not.

What I would like is. -

(1) To purchase the W $\frac{1}{2}$ 2-16-1 W 5th at the same price as the adjoining land sold for, all of which I own except section 11 which I lease. I had this half

section reserved as a water reserve, as it
then was a very much frequented passage
way for cattle to drift south on to Willow
creek during the bad seasons, I could
then have bought this land under the
lease purchase system at \$1.25 per acre
but did not want to take advantage of
my position to hurt other people's stock,
this is all changed now as the country
is all fenced in. Why I want to buy
this land is that it is the most suitable
place to put buildings on, and I do not
want to spend a lot of money without
owning the land.

(2) To get the lease I have of sections 10.

42788 11 and 14 in T₁ 16-1 W 5th made permanent
and free from settlement, or if not, to sell
them as asked for above

(3) Lease on a permanent basis Section
14, 16, N.W. 1/4 and S 1/2 28 and E 1/2 20 all in
Twp 15 - 1 W 5 N.

If you can help me to get the
above done I shall be deeply grateful
and feel like staying with the cattle
ranching business, putting it on as
near a model basis as possible.
With many happy returns of the
season
Yours very truly

Mr. Overman has been advised that, in order to purchase the land for the better drainage of acres, instead of acres, according to the plan of this township, a survey of the land runs through the section. In the present condition of the land, it is to be left as it is, and the land to the right of it. Sir,

I have the honour, by direction, to ask you what steps should be taken to re-vest in the Crown title to two lots in the Rocky Mountains Park of Canada the particulars of which being as follows :-

The Lots in question are Lots 13 and 14 in Block No. 3, as shown and laid down on a plan of the survey of the Townsite of Banff dated the 2nd day of July, A.D. 1888, signed by George A. Stewart, Esquire, Dominion Lands Surveyor, and filed in the Land Titles Office at Calgary in the Provisional District of Alberta on the 23rd day of July, A.D. 1888, in which office the said plan is known as "Plan A Rocky Mountains Park of Canada."

A separate lease was issued for each lot, each lease being from Her Majesty Queen Victoria (represented therein by the Minister of the Interior), and in favour of Isaac Myers of Banff, Printer.

The term of each lease was the same, namely for a term of forty-two years from the date of the lease, and was renewable for further terms of forty-two years, upon compliance by the lessee with the conditions of the lease.

The rent in each case was also the same, namely :- \$2.00 payable in two semi-annual payments of \$1.00 each on the 1st day of October and 1st day

E. L. Newcombe, Esq. K.C.,

Deputy Minister of Justice,

Ottawa.

of April in each year of the term of the lease, the first of such semi-annual payments of \$4.00 being payable at the execution of the lease.

The lease was expressed to be subject to several conditions including the following :-

"Fourth :- That upon the breach of any of the stipulations, terms or conditions hereinbefore mentioned, and on the part of the said lessee his executors, administrators or assigns, to be observed performed, fulfilled or abided by, the term hereby granted or the unexpired period thereof at the time of such breach, shall at the option of Her Majesty, Her successors or assigns immediately cease and determine and Her Majesty, Her successors or assigns may thereupon without any proceedings at law or in equity, re-enter in and upon the said demised premises and resume and again hold, possess and enjoy the same as if these presents had never been executed in which case the said lessee his executors, administrators, or assigns shall not be entitled to ask, demand or receive any compensation or damages in the premises whatsoever, from Her Majesty, Her successors or assigns, or from the Government of Canada, or from any Department, Minister, Officer, Agent or servant thereof."

The first condition of the lease related to the payment of the rent ; the second provided that the lessee was not to carry on or permit to be carried on upon the premises the trade, business or calling of a druggist, confectioner, tobacconist, hotel keeper or saloon keeper, or for the purpose of a slaughter house, butcher-house or fish stall, except by permission of the Minister in writing, and also that no noisy or offensive entertainment or trade was to be carried on upon the premises ; and the third was the usual provision that the lessee could not assign or sub-let his leasehold interest without leave of the Minister.

The leases were transmitted to the Registrar at Calgary who in due course issued in favour of Mr. Pyers certificates of title of which copies are enclosed herewith.

The Superintendent of the Rocky Mountains Park has recently reported that Pyers is a "criminal from justice, whose whereabouts is unknown;" that over a year's rent is over due on account of each lot; that no improvements have been made on either of them and that the leases should be cancelled so as to permit of the leasing of the lots to other persons.

I have the honour to be,

Sir,

Your obedient servant,

P. G. H. H. H.

As the Deputy Minister of Justice has advised the Department that it will be necessary to take proceedings either in the Exchequer Court or the Supreme Court of the Territories to cancel the two leases that were issued in favour of Isaac Myers on the 1st October, 1900, for the two lots, respectively mentioned in your letter of the 14th March last, No. 5594 on file 3498 of your office, and to vacate the certificates of title that have been issued to Mr. Myers for such lots, and as the cost of such proceedings will probably amount to as much as, if not more than these two lots are worth, I am to ask you to state what necessity there is at present for such action.

I am directed to inform you, in reply to your letter of the 4th instant, No. 5704 on file No. 3898, that the only way in which title to Lots Nos. 13 and 14 in Block No. 3, Banff can be re-vested in the Crown, unless of course the lessee can be found and will execute a proper surrender to the Crown, is by proceedings either in the Exchequer Court or in the Supreme Court of the Territories, as you were advised by my letter of the 26th ultimo. MR
I am directed to inform you in reply to your letter of the 7th instant, No. 6902 on file No. 4098 of your office, respecting lots Nos. 13 and 14 in Block No. 3, Banff, that it was not considered that any reply was necessary to your letter of the 19th December last, No. 8720, concerning these lots, as by my letter of the 11th of that month, you were advised that the two surrenders which were received here under cover of your letter of the 11th November last, had been forwarded to the Registrar at Calgary, and it was assumed that he would report at once if the surrenders referred to did not warrant him in re-vesting title to the lots in question in the Crown. He has been written to to-day as you have also been advised by a telegram in these words to make inquiry of him :-

Refer to No 3898,
File 3090,

Sir;-

BANFF, April 6th 1904,

Referring to your letter of ~~the~~ the 17th of March Ref NO 872021, 585770, regarding the cancellation of the lease for Lots 13 & 14, in Block #, Banff, and the re-vesting of the title to the lots in question in the crown,

I am advised by the Registrar, that he cannot proceed until he gets the duplicate certificates of title, This as you have been advised cannot be procured, as the lessee, states that to the best of his knowledge it has been destroyed, As stated at the commencement of the correspondence regarding this land Mr Byers is a Fugitive from Justice, and will not likely ever return to Canada, would it not be advisable to take the necessary steps to have this land Re-Vested to the Crown,

I am Sir;-

Your obedient servant,

The Secretary,
Department of Interior,
Ottawa,

Superintendent,

Registration District of South Alberta.

CALGARY, N.W.T.

9th April

1890

Lot 13 & 14 Block 3 Banff.

Referring to your letter of the 7th ultimo I have received the surrenders of these lots from Mr. Rivers. The same have been examined and found to be in accordance with the original certificates of title issued and sent to him. No further action is to be taken for cancellation.

During the last few days I have ascertained from the Superintendent, Mr. R. W. Douglas, that Mr. Rivers is a fugitive from justice and that in a letter to him Mr. Douglas has told the substance of matters in hand.

I have therefore asked Mr. Douglas to certify that such is an official declaration in receiving such a certificate of the Superintendent, who is authorized to register the surrenders. In this case since the surrenders have registered, the land granted by the States will be over and the Crown will be in a position to grant the same.

I will notify the Department as soon as the matter has reached this position.

Yours truly

6th May, 1904.

Sir,

I am directed to inform you that by letter dated the 9th ultimo Mr. Winter, Registrar at Calgary, reported that he has asked you to furnish him with an affidavit respecting the loss of certain papers concerning lots Nos. 13 and 14, in Block No. 3, Banff, and also to ask you, in view of this statement with regard to this matter contained in your letter of the 9th ultimo, No. 348 on file No. 100 of your office, how the matter stands at present in so far as your office is concerned.

If the title to this lot cannot be put right by Mr. Winter in the action he proposes to take when he receives from you the affidavit he has asked you to furnish, the propriety of taking the action which in the opinion of the Deputy Minister of Justice could be taken to obtain title to this lot, i.e. to take proceedings either in the Exchequer Court or the Supreme Court of the Territories in order to take advantage of the default of Myers, the lessee of the Crown and to vacate the certificate of title in his favour, will be considered.

Sir,

Lot 13 & 14 Block 3. Rocky Mountains Park.

I have to advise you that having been placed in possession of adequate material, I have reconsidered the two surrenders in favor of the majority of the leasehold interests of Mr. Bruce. Since in the acts above mentioned, and that the Crown is now in a position to deal with such lots free from the claims of Mr. Bruce.

As stated in former correspondence in similar cases and personally to Mr. D. Howell when he was here last, I do not issue new certificates of title to the Crown in these cases because the increased terms being now merited in the fee in the operation of the Surrender it would not be proper to grant certificates of title for more years which would be a disadvantage.

of the south half of Section 10, Township 10, Range 23 West

known here why he should not be permitted to homestead
that portion lying east of the river. The part lying
west of the river, however, has been reserved for the
Government, and is not available. The south half of the
south half of this section, lying east of the river, is
the homestead of Mr. Robert Wilson.

Ottawa, 24th September, 1900.

Memorandum.

I beg to submit, for your perusal, the letter of the 3rd instant, hereunder, from Messrs. Harris & Hicks, asking that Mr. Robert Gilmour be allowed to purchase that portion of Mr. Kenneth Macdonald's homestead on which his (Gilmour's) buildings are located.

The records show that the N. $\frac{1}{2}$ of the S. $\frac{1}{2}$ of 10--10--25, W. 4th, east of the Old Man's River, was patented to Mr. Robert Gilmour as a homestead on the 1st June, 1897, and that the S. $\frac{1}{2}$ of this half-section east of the river was entered for as a homestead by Mr. Kenneth Macdonald on the 11th October, 1900. These lands are shown on the sketch hereunder.

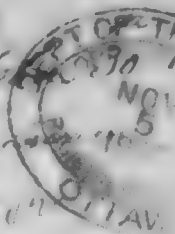

I do not see how the Department could interfere in this matter, unless Mr. Macdonald is agreeable to the sale of the one acre comprised in his homestead which Mr. Gilmour is desirous of acquiring, in which case the latter would have to file here a proper description of such one acre.

The matter might perhaps be better adjusted by first obtaining a report from a homestead inspector after inspecting the land and seeing the interested persons.

Replying to your letter of the 13th instant, I am directed to say that the patent for the above land has not yet been issued and, before its preparation can be proceeded with, it will be necessary for Mr. Carr to advise the Department whether he has ever become a citizen of a foreign country as, if so, he will be obliged to furnish his repatriation papers, as it is observed from his application for patent that he claims to be a British subject by birth and born in England. Mr. Carr was advised to this effect on the 17th instant.

I beg to acknowledge the receipt of the Declaration executed by you, to the effect that you were born in England and moved to the State of Illinois, U. S. A., with your parents at the age of nineteen years. This, however, is not sufficient, as, although you may not yourself have taken out a naturalization papers in the United States, your father may have become a citizen of that country, and, in that event, you would become an alien, and there will be the necessity of your obtaining registration papers before your application for patent for the North East 1/4 of Section 12, Township 31, Range 12, East of the Fourth Meridian, can be dealt with.

A copy of this letter is being sent to Messrs. Leck, Mary & Newell, of Edmonton, who wrote to the Department recently regarding the issue of the patent in your favour.
